The pantry ledger

Siege of Mercy · Chapter 1

Make one sheet for one unit of stock. Count what is present before deciding how much is available to share.

Shelf or item _____

Unit _____

Counted by _____

Date _____

Opening	Received	Used	On hand	Set aside	Available
8 jars	1	2	7	1	6

If a count and the shelf disagree, write what you found and the date you corrected it.

_____

_____

On hand = opening + received − used. Available = on hand − set aside.
